# Year 4 News

Our regular newsletter with all the latest updates from school

**Summer Term 1**

## Learning this week

In English, we have started to look at portal stories. We have been learning how to make our sentences more exciting by using embedded clauses and using these to write a detailed setting.

My bike, which is very old, is broken.  
comma                      comma  
                    ↑  
                    embedded clause

In maths, we have been using lots of different resources to understand tenths as decimals. We have been consolidating our knowledge of place value by placing our decimals on to number lines. Ask your child to explain what happens when we divide a number by 10.

**Our topic this term is Amazing Animals.**

In ICT we are creating our own class Wikipedia page. We have chosen our own animals to research and will be creating pages to include important information, interesting facts, pictures and videos. You can access this on google class 'sites' from home to see how we are getting on.

## PHOTO CORNER

As part of our Amazing Animals topic, we went to the river walk to search for local wildlife which we photographed. Some of us even made our own videos which we will add to our Wiki pages.

Coach Michael holds a year 4 multi sports club on Monday lunchtime.

19 MARCH 2021

We managed to raise an amazing

£360.60

What a fantastic effort from everyone.

## PE

Coach Michael is also very busy teaching us athletics skills for our outdoor PE this term. It's certainly helping to get our steps up on our pedometers!

Homework is due by Wednesday. Also remember to keep practising your TTRS and spelling shed games.

# Year 4

How many of these words can you spell?

## Year 3 and 4 Spelling List

accident(ally)	early	knowledge	purpose
actual(ly)	earth	learn	quarter
