## Learning this

### week

In English we have been reading the text 'Song of the Dolphin Boy' by Elizabeth Laird. A moving adventure about the impact of plastic pollution on our seas, and the campaigning power of friendship.

In maths children have been exploring perimeter, area and volume. Much of this block is new learning where children have built on their knowledge of area and perimeter to explore the area of a triangles and parallelograms.

They recapped on volume looking at the difference between volume and capacity exploring the conservation of volume using centimetre cubes.

In topic we have been exploring the different types of landforms on the coast. We have also began our enterprise project to raise funds for our end of year party.

Due to new government guidance the following dates have been cancelled:

28th June Year 6 Transition Day—Maltings and New Rickstones

29th June Year 6 Transition Day—Maltings and New Rickstones

30th June Year 6 Transition Day—Maltings and New Rickstones

Maltings and New Rickstones will be contacting you with details on how they intend to support your child
